# Moshi Integra™ USB-C to Lightning Cable 1.2m - Black

The Moshi Integra™ USB-C to Lightning Cable is not just a cable; it's a power-packed charging solution that widens your device compatibility. With robust built quality, superior durability, and fast charging, it's a gadget you definitely want in your tech armory.

- Premium Durability
- Non-tangle Design
- Fast Charging
- Fast Data Transfer
- Apple Compatibility

**Premium Durability**
The Moshi Integra™ USB-C to Lightning Cable is built to last. The high-performance IntegraCore spine can withstand over 10,000 bend cycles at a 180-degree angle, ensuring long-lasting usage. The durable aluminum housings with heavy-duty stress relief points add extra protection.

**Non-tangle Design**
Untangling messy cables is a thing of the past. This cable features ballistic nylon braiding that provides superior tangle and abrasion resistance, ensuring smooth, stress-free usage every time.

**Fast Charging**
This cable isn’t just about durability; it’s about efficiency, too. It supports USB Power Delivery (PD) fast charging up to 30W when used with Type-C chargers. Your device will be up and running in no time!

**Fast Data Transfer**
Need to transfer data at lightning speed? The Moshi Integra™ Cable has got you covered. It supports USB 2.0 data transfer speeds up to 480 Mbps, so you can move your files swiftly and safely.

**Apple Compatibility**
With its high-quality copper wiring and IntegraCore spine, this cable fully supports the Apple Lightning/iOS ecosystem. Rest assured it meets Apple's stringent performance requirements.
