

Moshi USB-C Multimedia Adapter

Introducing the Moshi USB-C Multimedia Adapter - an essential tool for professional photographers and videographers. Easily bring back the SD card slot to your MacBook Pro for swift data transfers, and experience outstanding visuals with the built-in HDMI port. This sleek, compact accessory brings back your necessary ports, delivering top-notch performance without compromising the slim profile of your Mac device.

- Exceptional data transfer rates with support for read/write SD, SDHC/XC UHS-I cards.
- Incredible visual experience with support for 4K@60Hz and HDR.
- Two USB-A ports are available for added peripherals.
- HDMI port for multi-channel digital audio output.
- Hassle-free, no need for drivers - it's compatible with Thunderbolt 3 and 100% plug-n-play.

Exceptional Data Transfer Rates:

Effortlessly transfer data between your SD cards and MacBook with UHS-I-supported speeds up to 104 Mbps, making your workflows more productive and efficient.

Incredible Visual Experience:

Embrace the stunning visuals through the HDMI port on Moshi's USB-C Multimedia Adapter. With support for 4K@60Hz and HDR (compatible with HDR10), you can enjoy life-like images on your screen like never before.

Additional Peripherals:

The Moshi USB-C Multimedia Adapter also includes two USB-A ports, each capable of 5 Gbps data transfer speed. Connect your essential devices like keyboard, mouse, hard drives, and more in a jiffy.

Multi-Channel Digital Audio Output:

Experience high-quality sound with HDMI multi-channel digital audio output. Seamlessly connect your device to external speakers for an immersive audio experience.

Plug-n-Play Functionality:

Forget the hassle of installing drivers with Moshi's USB-C Multimedia Adapter. It's Thunderbolt-3 compatible and offers 100% plug-and-play functionality, saving you precious time and effort.

10-year warranty

Every Moshi product is backed by a standard two-year warranty. Do you register the product on moshi.com, it gives a guarantee of a total of 10 years from the time of purchase.
