

Moshi USB-C to HDMI Adapter with Charging - Titanium gray

Introducing the Moshi USB-C to HDMI Adapter with Charging, an innovative and practical solution for connecting your USB-C device to an HDMI display. Experience gorgeous and smooth visual quality with support for 4K@60Hz and High Dynamic Range (HDR), all while charging your device simultaneously. Enjoy premier streaming services as this adapter delivers the best viewing experience, be it for work or leisure.

Stunning 4K HDR support

- Convenient pass-through charging
- Easy plug-and-play operation
- Lightweight, compact, and crafted from aircraft-grade aluminum
- Wide device compatibility

Stunning 4K HDR Support:

Experience visuals like never before with our Moshi USB-C to HDMI Adapter. Enhanced to support 4K@60Hz and HDR, you can now enjoy your favorite shows on Netflix, Amazon, Rakuten TV, and more with unmatched detail and color depth.

Convenient Pass-through Charging:

The adapter isn't just for viewing; it also supports pass-through charging of up to 60W for your USB-C device. You never have to worry about battery levels while streaming or presenting, optimizing your multitasking capabilities.

Easy Plug-and-Play Operation:

No need for complicated setups or installations. The Moshi USB-C to HDMI adapter is a plug-and-play device, designed to ensure ease of use. Plus, it's compatible with Thunderbolt 3 and thoughtfully designed not to block your other connectors.

Lightweight, Compact, and Premium Build:

The Moshi adapter features a lightweight and compact design, perfect for on-the-go use. With an exterior made from aircraft-grade aluminum, it guarantees not just style, but also minimal EM interference.

Wide Device Compatibility:

Our adapter has been rigorously tested to ensure compatibility with a range of laptops, tablets, phones, HDMI monitors, TVs, and projectors. It supports Windows, macOS, iPadOS, Android, and ChromeOS, making it a versatile accessory to boost your productivity.
