Mujjo 80 Leather Wallet Case - Grey

The Mujjo 80 Leather Wallet Case pairs elegant Dutch design with practical card storage for your iPhone 6/6s Plus. Premium natural leather, a soft suede lining and careful craftsmanship create a refined finish, while the integrated card pocket keeps your essentials together.

- Integrated pocket for up to three cards
- Premium natural leather with a soft suede lining
- Careful craftsmanship for everyday protection
- Slim profile and leather that develops a distinctive patina
- Understated grey finish

Integrated pocket for up to three cards
Keep up to three standard-sized credit cards alongside your phone, so you can leave your wallet at home when those are all you need.

Premium natural leather with a soft suede lining
The premium natural leather exterior has a waxed surface for a refined feel and durability. Inside, a soft suede lining helps protect your iPhone 6/6s Plus from scratches and minor bumps.

Careful craftsmanship for everyday protection
Carefully selected materials and precise finishing give the case a quality feel and help protect your phone from everyday wear and tear.

Slim profile and leather that develops a distinctive patina
Soft to the touch and naturally scented, the waxed leather develops a distinctive patina and a richer sheen with use. The case maintains a slim profile that complements your iPhone 6/6s Plus.

Understated grey finish
The timeless grey colour suits both work and casual settings.
