Vegetable-tanned Ecco leather that ages beautifully
Made from gold-rated Ecco leather, this keychain develops a rich patina over time, gaining character with every day of use. The vegetable-tanning process enhances durability while delivering a soft, premium hand feel you will appreciate every time you grab your keys.

Black PVD hardware engineered to last
Finished with robust black PVD components, the hardware resists wear and maintains its sleek look through daily handling. The result is a dependable, long-lasting keychain that matches your style and stands up to real life.

3D-moulded pocket with magnetic security
A precisely 3D-moulded pocket cradles your AirTag for a perfect fit. A discreet magnet helps lock it in place, keeping your tracker right where you need it without rattles or worry.

Side opening for effortless AirTag access
Insert or remove your AirTag in seconds. The smart side opening makes setup simple and battery swaps quick, so you spend less time fiddling and more time on the move.

Refined, premium build for everyday elegance
From the smooth leather finish to the meticulous stitching, every detail is designed to feel luxurious and look effortlessly polished. It is a minimalist accessory that complements any carry, from office to weekend.
