Mujjo AirTag Keychain in Ecco Leather with Magnetic Retention - Bronze red

The Mujjo Leather AirTag Keychain pairs vegetable-tanned Ecco leather with durable black PVD hardware. A 3D-moulded pocket and integrated magnet help keep your AirTag secure, while a side opening makes insertion and removal easy.

- Vegetable-tanned Ecco leather that develops a rich patina
- Durable black PVD hardware
- 3D-moulded pocket with magnetic retention
- Side opening for easy AirTag access
- Refined finish with meticulous stitching

Vegetable-tanned Ecco leather that develops a rich patina
Made from Ecco leather rated Gold by the Leather Working Group, this keychain develops a rich patina over time. Vegetable tanning enhances the leather’s durability while giving it a soft feel.

Durable black PVD hardware
The black PVD hardware resists wear and retains its sleek finish through everyday use.

3D-moulded pocket with magnetic retention
A precisely shaped, 3D-moulded pocket holds your AirTag snugly. An integrated magnet helps keep it in place and prevents rattling.

Side opening for easy AirTag access
The side opening lets you insert or remove your AirTag in seconds, making setup and battery changes straightforward.

Refined finish with meticulous stitching
Smooth leather and meticulous stitching give this minimalist keychain a refined look for everyday use.

Package includes

- Mujjo Leather AirTag Keychain - Bronze Red
