- Premium vegetable-tanned leather
- Black PVD finish on the keyring
- 3D-moulded pocket
- Secure magnetic closure
- Leather with a Gold environmental rating

Premium vegetable-tanned leather
The high-quality vegetable-tanned leather develops a richer patina over time, giving your Canopy Keychain a warm, distinctive appearance that evolves with use.

Black PVD finish on the keyring
The metal keyring has a black PVD finish for added durability and resistance to everyday wear.

3D-moulded pocket
The 3D-moulded pocket fits your Apple AirTag snugly, keeping it securely encased in a neat, compact design.

Secure magnetic closure
A built-in magnet holds the closure securely shut, helping to keep your AirTag in place as you go about your day.

Leather with a Gold environmental rating
The leather is certified with a Gold rating for environmental standards, combining a premium feel with environmentally conscious production.
