- Leather with Gold environmental certification

Premium vegetable-tanned leather
Made from high-quality vegetable-tanned leather, the Canopy Keychain develops a richer patina over time for a warm, natural appearance.

Black PVD finish on the keyring
The keyring's black PVD finish adds durability and resistance to everyday wear, while complementing the leather.

Snug 3D-moulded pocket
The 3D-moulded pocket fits your Apple AirTag snugly, keeping it securely encased in a sleek design.

Secure magnetic closure
A built-in magnet keeps the closure securely shut to help hold your AirTag in place.

Leather with Gold environmental certification
The leather has a soft feel and is certified Gold for environmental standards.
