Made from vegetable-tanned Eco leather that meets Gold-rated environmental standards, the case develops a natural patina over time, gaining character with use.

Easy access to essential functions
A front LED cutout keeps the charging indicator visible, while a moulded side button provides easy access to pairing. A cutout at the base keeps sound alerts clear, so you can use your earbuds and charging case without obstruction.

Clip and lanyard attachment options
Use the sturdy clip to attach the case to your keys, bag or another suitable item. A side opening lets you attach a lanyard for another way to keep your AirPods Pro close at hand.
