Mujjo European Leather Wallet Case for iPhone 15 Pro with MagSafe - Monaco blue

Mujjo's iPhone 15 Pro Wallet Leather Case in Monaco Blue combines premium northern European leather, a slim profile, recycled metal details and a soft Japanese microfibre lining. The leather develops a distinctive patina over time, giving the case an individual character.

- New metal camera guard
- Premium European leather
- Increased use of recycled materials
- Machined metal buttons
- Japanese microfibre lining and MagSafe compatibility

Metal Camera Protection
A new machined aluminium camera guard helps protect your iPhone 15 Pro's rear camera lenses and complements the case's design.

Premium European Leather
Crafted from high-grade northern European hides, the leather is tanned using the environmentally friendly DriTan process. It develops an individual patina over time and is recognised by the Leather Working Group for its excellent environmental standards.

Recycled Materials
Mujjo is B Corporation certified. The metal buttons, camera guard, soft microfibre lining and polycarbonate shell beneath the leather are made from recycled materials.

Machined Metal Buttons
Precisely machined metal buttons provide a satisfying click. Colour-matched to the leather, they complement the case's minimalist design.

Japanese Microfibre Lining
The Japanese microfibre lining is strong and lightweight, providing soft cushioning for your iPhone.

MagSafe Compatibility
The case supports Apple's magnetic technology for wireless charging and use with MagSafe accessories.
