Mujjo Full Leather Case for iPhone 17 with MagSafe - Tan

Mujjo's Full Leather Case for iPhone 17 in Tan pairs premium Velore leather with a minimalist design. Made using waterless tanning technology and recycled materials, it offers everyday protection and practical features, with leather that develops a distinctive patina over time.

- Velore leather with DriTan™ technology
- Machined metal camera bump & buttons
- Japanese microfibre lining
- MagSafe compatible
- Raised bezel for screen protection
- B Corp certification

Velore leather with DriTan™ technology
Velore leather is crafted from fine-grain Danish calfskin using waterless DriTan™ technology. This tanning process eliminates water waste and produces smooth, durable leather. With use, the leather develops a distinctive patina that adds warmth and character.

Machined metal camera bump & buttons
The machined metal camera bump provides added protection, while the side buttons deliver a crisp, responsive click. Both enhance durability and complement the case's minimalist design.

Japanese microfibre lining
A premium Japanese microfibre lining cushions and protects your iPhone 17. The lightweight recycled fabric has a satin-soft finish.

MagSafe compatible
Integrated high-performance magnets support fast wireless charging and compatibility with all MagSafe accessories.

Raised bezel for screen protection
A 1 mm raised leather bezel helps protect the screen from scratches and impacts. The case also covers the base of the phone without obstructing the charging port.

Recycled materials and B Corp certification
Mujjo is B Corp certified and continues to work towards greater sustainability. This case uses recycled materials in its metal buttons, camera bump, microfibre lining and the polycarbonate shell beneath the leather, helping reduce its environmental footprint.

Package includes

- 1x Mujjo Full Leather Case for iPhone 17 - Tan
- 1x User manual

Product specifications

- Colour: Tan
- Velore leather crafted from Danish calfskin using waterless DriTan™ technology
- Machined metal camera bump and buttons for enhanced durability
- Japanese microfibre interior lining with a satin-soft finish
- MagSafe compatible with high-performance magnetic technology
- 1 mm raised leather bezel for screen protection
- Dimensions: 6 cm x 7.86 cm x 0.96 cm
- Weight: 39 g
- Compatible with iPhone 17
- Two-year guarantee against manufacturing faults

Use and care
The leather will develop a unique patina over time, taking on a warmer, softer look. To maintain it, clean occasionally with a clean white cloth and a neutral, natural leather care cream, such as Nikwax® Conditioner for Leather™.
