#### Gold Rated Eco Leather

Experience the uniqueness with our case crafted from the highest quality gold-rated Eco leather. This vegetable-tanned leather ensures durability and gracefully ages over time, allowing your case to develop a rich colour and stunning patina. Hailing from the Netherlands, this leather meets the highest environmental standards.

#### MagSafe Technology

Empower your device with our MagSafe-friendly case, enabling quick and easy wireless charging. Not only does it seamlessly work with MagSafe accessories, but it also comes with machined metal buttons dyed to match the leather colour, optimizing responsiveness.

#### Raised Leather Bezel for Screen Protection

This case doesn't just protect your phone. It also safeguards your screen with a 1mm raised leather bezel. This detail ensures that your screen remains unscratched even on abrasive surfaces, providing an extra layer of defence.

#### Camera Bump for Lens Safety
