

Welcome to the ultimate sophistication and protection for your iPhone 14. The Mujjo Full Leather Case, complete with MagSafe, boasts unparalleled functionality and style in one neat package. Made from vegetable-tanned Eco leather, this case promises to age beautifully while providing unrivalled protection for your device.

- Vegetable-Tanned Eco Leather
- MagSafe Compatibility
- Enhanced Protection Measures
- Slim, Super-Strong Profile
- Japanese Microfibre Lining

#### **Vegetable-Tanned Eco Leather**

Our case is skilfully crafted from highly acclaimed vegetable-tanned Eco leather from the Netherlands. Gold-rated by the Leather Working Group for environmental standards, this leather provides a durable finish that gets more beautiful over time, creating a unique patina.

#### **MagSafe Compatibility**

The Mujjo Full Leather Case incorporates MagSafe technology. This magnetic technology is built into the case, allowing for fast wireless charging and compatibility with various MagSafe accessories for the ultimate convenience.

#### **Enhanced Protection Measure**

This case features a raised bump around the rear camera and a raised bezel around the edge of the glass to protect your iPhone from everyday knocks and bumps. The device's base is neatly covered to provide additional protection, without blocking the speakers or the charging port.

#### **Slim, Super-Strong Profile**

The Mujjo Full Leather Case is protective but also sleek and slim. The super-strong casing is fully wrapped with top-quality leather, offering a clean silhouette that securely follows the contours of your device.

#### **Japanese Microfibre Lining**

Experience the luxury of the case's interior, lined with the finest Japanese microfibre. This slim and exceptionally lightweight fabric provides padded comfort for your iPhone, complementing a smooth, satin-like finish.
