Mujjo Leather Case for iPhone 18 Pro Max / 17 Pro Max - Tan

Mujjo's Leather Case for iPhone 18 Pro Max / 17 Pro Max in Tan combines premium Velore leather, durable construction and minimalist design. Made with Danish calfskin and recycled materials, it offers everyday protection with a focus on sustainability.

- Premium Velore leather
- Machined metal buttons
- Machined metal camera bump
- Japanese microfibre lining
- MagSafe compatible
- B Corp certification

Premium Velore leather
Crafted from fine-grain Danish calfskin, the Velore leather is tanned using waterless DriTan™ technology, eliminating water waste and giving it a smooth feel. Over time, the leather develops a rich patina that adds individual character to your case.

Machined metal buttons
The machined metal side buttons offer responsive operation and a satisfying click. Coloured to match the Tan leather, they complement the case's minimalist design while adding durability.

Machined metal camera bump
A raised camera bump made from machined recycled aluminium protects the rear camera lenses against bumps and scratches and adds to the case's durability. A 1 mm raised leather bezel helps protect the screen.

Japanese microfibre lining
The interior is lined with premium Japanese microfibre. This thin, soft and lightweight recycled fabric has a satin-like finish and provides padded protection for your iPhone 18 Pro Max / 17 Pro Max.

MagSafe compatible
Built-in magnetic technology supports fast wireless charging and compatibility with all MagSafe accessories. The case also leaves the charging port unobstructed.

Designed with sustainability in mind
Mujjo's B Corp certification reflects its commitment to improving sustainability. The case uses recycled materials in its metal buttons, camera bump, microfibre lining and leather-wrapped polycarbonate shell to help reduce its environmental footprint.
