Mujjo MagSafe European Leather Wallet Case – iPhone 15 Pro Max - Beige

The Mujjo iPhone 15 Pro Max Leather Wallet Case combines refined design with everyday protection. Finished in Tan, it features durable European leather, a camera bump machined from recycled aluminium and built-in magnets for MagSafe wireless charging.

- Premium European leather that develops a distinctive patina
- Protective machined aluminium camera bump
- Responsive machined metal buttons
- Recycled materials used throughout the design
- MagSafe compatibility for wireless charging

Premium European Leather
Made from northern European hides using an environmentally friendly tanning process, this durable, gold-rated leather develops a distinctive patina over time.

Machined Aluminium Camera Protection
The camera bump is machined from recycled aluminium and helps protect the rear camera lenses against bumps and scratches. It matches the leather and buttons in colour for a coordinated finish.

Responsive Machined Metal Buttons
The side buttons are machined from premium metal for responsive operation. They match the leather in colour and are designed to fit the iPhone 15 Pro Max.

More Recycled Materials
Mujjo is a B Corp-certified brand and has increased its use of recycled materials in this iPhone 15 Pro Max case. The metal buttons, camera bump, microfibre lining and polycarbonate shell incorporate recycled materials without compromising protection.

MagSafe Compatibility
Built-in magnets make the case compatible with MagSafe accessories and wireless charging.
