Easy access to essential cards
Keep your most important cards close at hand with quick, easy access. The slim profile adds minimal bulk to your iPhone.

MagSafe attachment
Designed for iPhones with MagSafe, the wallet attaches directly to your device without cumbersome fittings.

Sustainable vegetable-tanned leather
Made from eco-friendly vegetable-tanned leather using sustainable production practices, the wallet develops a rich patina over time.

Japanese microfibre lining
The Japanese microfibre lining has a satin-like finish and provides added protection for your cards.

Slip-resistant silicone strips for a secure hold
Slip-resistant silicone strips help keep the wallet securely attached to your iPhone.
