Mujjo Shield Slim Leather Case for iPhone 16 Pro Max with MagSafe - Steel blue

Protect your iPhone 16 Pro Max with the Mujjo Shield Case, combining European Velore leather with Mujjo's proprietary ImpactCore internal bumper for impact protection and a refined finish.

- Velore leather
- Drop protection up to 5m
- MIL-STD-810 certification
- Machined metal buttons for responsive control
- Machined metal camera bump for added protection
- Japanese microfibre lining
- Enhanced magnet strength
- Recycled materials and sustainably tanned leather

Premium leather
Velore leather is sustainably tanned in the Netherlands, feels comfortable in the hand and develops character over time. Recycled materials are used for the hardware, inner shell and lining.

Impact protection
Mujjo's proprietary ImpactCore internal bumper provides drop protection rated to 5 metres/15 feet in an ultra-thin case. The vegetable-tanned leather offers a secure grip. Certified to military-grade MIL-STD-810.

Machined metal buttons for responsive control
The machined metal side buttons provide a satisfying, responsive click and are coloured to match the Steel Blue leather. The Pro model features a one-piece volume button and a precisely designed mute button.

Machined metal camera bump for added protection
A machined camera bump made from recycled aluminium helps protect the rear camera lenses. Integrated into the case design, it adds durability around the camera.

Japanese microfibre lining
The interior is lined with soft, lightweight Japanese microfibre made from recycled fabric. Its satin-like finish provides gentle padding to help protect your iPhone 16 Pro Max from scratches.

MagSafe compatible
Built-in magnets make the Shield Case fully compatible with MagSafe accessories and wireless charging. Enhanced magnet strength helps maintain a secure connection to compatible stands and MagSafe chargers.

Package includes

- 1x Mujjo Shield Case for iPhone 16 Pro Max - Steel Blue
- 1x User Manual
