Mujjo Shield Velore Leather Case for iPhone 16 Pro with MagSafe - Black

Protect your iPhone 16 Pro with the Mujjo Shield Case, combining a refined leather finish with impact protection. Made from European leather and reinforced with Mujjo's proprietary ImpactCore internal bumper, it offers a premium feel in a slim design.

- Velore leather
- Drop protection up to 5m
- MIL-STD-810 certification
- Responsive machined metal buttons
- Machined metal camera bump for added protection
- Japanese microfibre lining
- Enhanced magnet strength
- Recycled materials in the hardware, inner shell and lining

Premium leather
Velore leather, sustainably tanned in the Netherlands, develops a beautiful patina over time and feels comfortable in your hand. Recycled materials are used in the hardware, inner shell and lining.

Impact protection
Mujjo's proprietary ImpactCore internal bumper provides drop protection rated to 5 metres/15 feet, with MIL-STD-810 certification. The case combines a slim profile with durable protection against falls and bumps, while the vegetable-tanned leather provides a secure grip.

Responsive machined metal buttons
The machined metal side buttons deliver a satisfying, responsive click. Dyed to match the Black leather, they complement the case's understated design. The Pro model features a one-piece volume button and a precisely designed mute button.

Machined metal camera bump for added protection
A machined camera bump made from recycled aluminium helps protect the rear camera lenses. Integrated into the case's design, it adds durability around the camera.

Japanese microfibre lining
The interior is lined with soft, lightweight Japanese microfibre. This recycled fabric has a satin-like finish and cushions your iPhone 16 Pro to help protect it from scratches.

MagSafe compatible
Built-in magnets make the Shield Case fully compatible with MagSafe accessories and wireless charging. Enhanced magnet strength helps keep your phone securely attached to compatible stands and MagSafe chargers.

Package includes
