Crafted from 99% Recycled Materials
The MW Eco Sleeve doesn't just protect your MacBook; it protects the planet. Every inch, from the zippers to the fabrics, comprises 99% eco-friendly materials. By choosing this sleeve, you are part of the movement towards sustainable technology accessories, with each sleeve repurposing the equivalent of 12 water bottles.

Memory Foam for Maximum Protection
Equipped with 6mm of polyurethane memory foam, the MW Eco Sleeve absorbs shocks and minimizes the risks of daily wear and tear. The sleeve's memory foam contours your MacBook, ensuring that it stays secure and cushioned at all times, whether you're commuting to work or heading to your favourite café.

Ultra-Soft Inner Lining
We understand the value of keeping your MacBook immaculate. The MW Eco Sleeve boasts an ultra-soft inner lining to prevent scratches during insertion and removal. This gentle fabric embraces your device, offering a protective cocoon against external abrasions.

Ultra-Thin Perfect-Fit Design
Your MacBook Pro/Air 13-inch will slide effortlessly into the MW Eco Sleeve's perfect-fit design. Ultra-thin and lightweight, the sleeve maintains the sleek silhouette of your device, ensuring that it is protected without adding unnecessary bulk. This design approach makes it easy to slide your laptop into your bag or carry it under your arm with elegance and ease.

Compatible with MacBook Pro/Air 13-inch
Tailored to meet the needs of Apple enthusiasts, the MW Eco Sleeve is fully compatible with the MacBook Pro/Air 13-inch. The fit is precise, securing your device and providing a snug home just right for your laptop model.
