

myFirst Filament for 3D Pen Artist

Bring your ideas to life with safe, vibrant, and easy-to-use PLA filaments designed specifically for the myFirst 3D Pen Artist. This Warm Design set delivers smooth flow, rapid cooling, and richly pigmented colors that help young creators and hobbyists draw confidently and cleanly.

- Safe-to-touch PLA with rapid solidification
- Designed for the myFirst 3D Pen Artist
- Vibrant cold color set plus Glow
- Consistent 1.75 mm diameter for smooth feeding
- 6 filaments x 5 meters each for extended creativity

Safe-to-touch PLA with rapid solidification

Made from high-quality PLA, these filaments cool and harden quickly so creations hold their shape with minimal drooping. The low-odor, plant-based material is safer to touch during use and ideal for kids, classrooms, and beginners who want reliable, mess-free results.

Designed for the myFirst 3D Pen Artist

Engineered to match the temperature and feed profile of the myFirst 3D Pen Artist, this filament set delivers steady extrusion and fewer jams. For the best experience and safety, use only with the myFirst 3D Pen Artist. Not compatible with myFirst 3D Pen Make.

Vibrant warm color set plus Glow

Fuel imagination with a cold palette of White, Blue, Light Blue, Light Green, Green and a special Glow filament. From bold outlines to standout highlights, these colors make models, labels, and decorative details pop.

Consistent 1.75 mm diameter for smooth feeding

Precisely manufactured to a 1.75 mm diameter, each strand feeds smoothly and predictably for clean lines and accurate layering. Enjoy fewer interruptions and more time creating.

6 filaments x 5 meters each for extended creativity

With 5 meters per color and 30 meters total, you have plenty of material for sketches, prototypes, school projects, and gifts. Experiment freely without worrying about running out too soon.

Package includes

White, Blue, Light Blue, Light Green, Green and Glow filament.

Product specifications

- Material: PLA
- Filament diameter: 1.75 mm
- Length per color: 5 m
- Total length: 30 m
- Color set: White, Blue, Light Blue, Light Green, Green & Glow
- Cooling: Rapid solidification for clean builds
- Safety and compliance: FDA and RoHS compliant
- Compatibility: myFirst 3D Pen Artist only; not compatible with myFirst 3D Pen Make

SPECIFICATIONS

Carton: 1/40
Item ID: FP8001AC-CC01
EAN: 850054268839
Size: 100 x 45 x 200 mm
Weight: 134 g
