myFirst Frame Clario - White

myFirst Frame Clario is a smart family frame designed to keep loved ones connected through shared memories, video calls, reminders and everyday updates. With simple controls, secure family sharing and remote management through the myFirst Circle app, it makes staying close easy for every generation.

- Private family sharing
- One-tap video calling
- Interactive family moments
- Soundscape ambient audio
- Reminders, weather and daily planning

Private family sharing
Frame Clario creates a secure family space through the myFirst Circle app. Photos, videos and calls stay within your private network, away from public social media. Parents and family admins can manage who connects, making it simple to share moments safely with children, grandparents and relatives wherever they are.

One-tap video calling
Stay close with easy video calling directly from the frame. The built-in 2MP camera and dual noise-canceling microphones help make conversations clear, while the simple one-tap experience is designed for family members of all ages.

Interactive family moments
Frame Clario does more than display photos. With ShoutOut, family members can leave quick comments or send fun Momoji reactions on shared photos, helping every memory feel more alive and personal.

Soundscape ambient audio
Create a calm atmosphere at home with customizable ambient sound. Mix preset sounds such as rain, ocean waves and flowing streams to support focus, sleep or relaxation, then save your favorite combinations for quick access.

Reminders, weather and daily planning
Frame Clario helps the household stay organized with calendar reminders, to-do lists, birthday reminders and weather information. Settings can be managed remotely through the myFirst Circle app, so the frame stays useful even when family members are not nearby.

Package includes

- myFirst Frame Clario
- User manual
- Power plug
