#### Four High-Power USB Ports

The Sanctuary4 is equipped with four robust USB ports, each output four amps of power, making it more than capable of simultaneously charging any tablet and smartphone. It's designed to be the central hub for all your charging needs, efficiently powering up multiple devices without sweat.

#### Interchangeable Charging Cables

Bluelounge recognizes that technology is ever-evolving. The Sanctuary4 is built with the future in mind, sporting interchangeable charging cables to ensure compatibility with today's and tomorrow's devices. Whether you have gadgets from Apple, Android, or any brand, the Sanctuary4 adapts to your changing tech landscape.

#### An Adjustable Tablet Stand

The Sanctuary4 understands that your tablet is more than just a device; it's a part of your daily routine. That's why it features an adjustable stand crafted to keep your tablet upright and accessible while it charges. This thoughtful design also provides ample space to accommodate additional smartphones or essential personal items alongside your tablet.

#### Micro-USB Cable and Optional Apple Cables

To ensure immediate usability, the Sanctuary4 comes with a micro-USB cable, ready to charge a wide range of devices right out of the box. The station also supports optional Apple 30-pin and Apple Lightning cables for Apple enthusiasts, highlighting its commitment to universal compatibility.

#### Designed for Convenience

The Sanctuary4 isn't just about power; it's about practicality. The sleek design includes a designated area to stash your keys, wallet, and other small items, keeping them safe and within reach. It's a testament to Bluelounge's attention to detail in creating a charging solution that's as considerate as it is powerful.
