

Introducing the ALOGIC Elite Adjustable Laptop Riser – Space Grey, a high-quality aluminium stand designed to elevate and optimise your workspace experience. With its universal compatibility and adjustable features, your laptop or MacBook device can now be placed at your preferred height and angle, promoting better ergonomics.

- High-quality Aluminium Build
- Universal Compatibility with all laptops
- Optimum Portability and Lightweight
- Adjustable Height and Angling
- Ensures Desired Field of View

High-quality Aluminium Build

The ALOGIC Elite Adjustable Laptop Riser is not just functional, but also robust. Crafted from high-quality aluminium alloy materials, the riser promises longevity against daily wear and tear rigours. Its anti-slip silicone pads provide stability to your device while preventing scratches.

Universal Compatibility with all laptops

The ALOGIC Adjustable Laptop Riser is designed to support most, if not all, laptop models and sizes, such as MacBook Pro, MacBook Air, Dell XPS, and Chromebook. This universal compatibility makes it the perfect choice to enhance your device's usability.

Optimum Portability and Lightweight

Despite its robust build, the laptop riser is impressively lightweight, making it highly portable. This means you can comfortably move it around your workspace or effortlessly carry it along on the run.

Adjustable Height and Angling

The riser comes with an adjustable height and angle mechanism to cater to your viewing convenience. This means that whether you are typing, viewing or having an office meeting, you can constantly adjust the riser to suit your field of view and prevent neck fatigue.

Ensures Desired Field of View

The ALOGIC Elite Adjustable Laptop Riser showcases maximum adjustability with the arm positioned vertically and platform flat at 225mm. The arm and top platform offer a full 180-degree range of motion for maximum comfort and an optimal field of view.
