Vertical Docking Station

The Twelve South BookArc space-saving design lets you dock your MacBook vertically, giving you a clutter-free and organized workspace. The minimal footprint doesn't just save on space – it also turns your laptop into a powerful desktop hub when paired with your favourite peripherals.

Silicone Slot for MacBook

Your MacBook deserves a throne befitting its design, and the silicone slot of the BookArc does just this. It holds your MacBook securely in place, and its snug fit also assures protection and stability. Slide in your MacBook and witness how this stand blends protection with panache.

Cable-Catch Feature

The intelligent cable-catch feature of the BookArc ensures that your cables stay in place, ready for when you need to reconnect them. When it's time to be mobile, you can easily unplug and go without the frustration of fallen or tangled cables in your workspace.

Interchangeable Inserts

The BookArc boasts a set of three interchangeable inserts, fitting your current MacBook model precisely. Whether you're updating your setup for a 16-inch MacBook Pro or a 2020 MacBook Air, there's an insert designed just for your device, promising a snug and seamless fit.

Closed-Clamshell Mode Ready

Utilize your MacBook's closed-clamshell mode and optimize performance by directing 100% of the video memory to an external display. Make the most of a larger screen for more extensive tasks, whether it's photo editing or spreadsheet handling, all while your MacBook stays snug in the BookArc.
