Slim profile with robust protection

Our Metallic Origami Case epitomises a streamlined design that doesn't compromise on safeguarding your device. The shock-absorbent TPU shell with internal air pockets and a magnetic front cover meld together to provide superior protection against bumps and drops.

Versatile 5-in-1 foldable design

The innovative Origami 5-in-1 folding style is a game-changer, offering various positions for every need—optimal viewing and typing angles, a broad base for stability on soft surfaces, and even a portrait position for convenient video calls.

Certified Antibacterial materials

Protect your health alongside your iPad with 100% Certified Antibacterial materials. Our case is integrated with a powerful antimicrobial agent to stave off bacteria, ensuring a germ-free surface without sacrificing the case's integrity over time.

Enhanced battery life with sleep-wake function

Preserve your iPad's battery life with the smart auto sleep-wake functionality that activates when you open or close the cover, granting you up to 20% extended use between charges. The convenience is matched by the clean, wipeable surface, adding to your iPad's longevity.

Compatible with iPad 10.2-inch 8th (2020) & 7th (2019) Generation

Designed specifically for the iPad 10.2-inch models, this case assures a perfect fit for the 8th Generation 2020 and the 7th Generation 2019 versions, guaranteeing seamless access to all ports and functions.
