Versatile Origami Design

The Pipetto Origami Shield-fodral offers impressive versatility with its unique origami folding design, allowing five distinct viewing and typing angles. Whether you're typing documents or watching your favorite shows, this case adapts to provide a stable and comfortable platform, keeping your iPad secure in both landscape and portrait modes.

Advanced Shock Absorption

Prioritizing the safety of your iPad, the Origami Shield-fodral features a co-moulded construction with a shock-absorbing TPU bumper. This expertly crafted design offers excellent edge protection, effectively absorbing impacts from daily bumps and drops to ensure your device stays in perfect condition.

Perfect Compatibility

Specially designed for the iPad Air 4 (2020) with model numbers A2316 and A2072, the Pipetto Origami Shield-fodral fits your device like a glove. It conveniently accommodates the Apple Pencil 2, ensuring seamless sync and charge capabilities so that both your iPad and pencil are always ready for action.

Comprehensive Protection

The Origami Shield-fodral provides exceptional protection with its shock-absorbing TPU bumper and raised edge that guards your screen when face down. Featuring a clear polycarbonate back that showcases your iPad's design while keeping it scratch-free, the case also includes a soft PU cover lined with luxurious microfiber to protect against spills and dirt.

Designed for Convenience

Every feature of the Origami Shield-fodral is designed to enhance your iPad Air 4 usage. It offers full access to the camera, volume buttons, Touch ID, and USB-C port. Furthermore, the intelligent cover's sleep-wake function helps to conserve battery life, automatically putting your iPad to sleep when closed.
