The Origami No4 Folio Case revolutionizes your usage with a 5-in-1 folding design that caters to your every need. Whether you're typing a report or catching up on your favourite shows, the case offers two positions for typing and viewing, similar to Apple's Smart Cover. Additionally, it features two more folding positions with a stable broad base—ideal for entertainment in bed or on yielding surfaces—and a portrait position that's perfect for video calls and FaceTime sessions.

### Sleek and Protective Design

With the Origami No4 Folio Case's ultra-slim profile, your iPad will look sharp and stay safe. The innovative design attaches securely to your iPad using 102 magnets, ensuring a snug fit without adding bulk. This open-sided case protects both the front and back of your iPad without compromising the device's slimness or tactile experience.

### Antibacterial for Your Safety

In an ever-conscious world, the Origami No4 Folio Case offers an edge with 100% Certified Antibacterial materials. An antimicrobial agent infused during the manufacturing process ensures the case maintains its potency, killing 99.9% of bacteria throughout the life of the case. Not only does this feature keep you protected, but it also provides a wipe-clean finish for easy maintenance.

### Extended Battery Life

An ingenious auto sleep-wake functionality is built into the Origami No4 Folio Case, helping to conserve your iPad's battery life. This feature automatically wakes up your iPad when you open the case and puts it to sleep when you close it, granting you up to 20% more battery life between charges.

### Broad Compatibility

Designed specifically for the iPad Pro 11-inch 3rd Generation (2021), the Origami No4 Folio Case also maintains compatibility with earlier models. It fits seamlessly with iPad Pro 11-inch 1st (2018) and 2nd Generation (2020) as well as iPad Air 10.9 (2020), making it a versatile choice for a wide range of iPad users.
