Innovative Origami Folding Design
The Origami 5-in-1 folding style is a game-changer for iPad users. It offers two positions for typing and viewing, similar to Apple's Smart cover, plus two additional folding positions that create a stable wide base - perfect for watching content on soft or unstable surfaces. The fifth position allows for portrait orientation, ideal for FaceTime and video calls.

Apple Pencil 2 Compatibility
Never compromise on creativity. The Origami No1 TPU Case allows you to sync and charge your Apple Pencil 2 through the case, ensuring your tools are always ready when inspiration strikes.

Superior Protection
Keep your iPad safe with the shock-absorbent TPU shell and internal air pockets. The magnetic front cover adds an extra layer of protection, giving you peace of mind wherever you take your device.

Auto Sleep/Wake Functionality
Extend your iPad's battery life by up to 20% with the Auto Sleep/Wake feature. Simply open the cover to wake your device and close it to put it to sleep - effortless power management at your fingertips.
