Ultimate Viewing & Typing Positions

Maximize your iPad's utility with a case designed for every occasion. The Pipetto Origami No1 Original boasts a versatile 5-in-1 folding style, allowing for the most comfortable typing and viewing perspectives. Its multifunctional design mirrors Apple's Smart Cover postures and provides additional orientations to suit your every need, from sending emails to watching your beloved shows.

Stable Base for Bed & Unstable Surfaces

The Origami case excels in adaptability. Its unique folding options construct a broad, solid base, granting you the liberty to use your iPad effortlessly in soft or shifting environments. This stability empowers you to enjoy content on your tablet virtually anywhere, even while lounging in bed.

FaceTime & Video Calls Optimized

Interact with ease during video calls. The Origami No1 Original is thoughtfully crafted with a portrait position ideal for FaceTime and other video-chat applications. Engage in hands-free conversations without compromising the tablet's stability or visibility, making every call seamless and enjoyable.

Shock-Absorbent TPU Shell

Encase your iPad in a haven of security. Engineered with a resilient TPU shell and internal air pockets, this case offers robust protection against everyday mishaps. Its thoughtful design anticipates impacts from drops and bumps, keeping your iPad secure and immaculate through daily adventures and usage.

Smart Power Management

Improve your iPad's battery life effortlessly. With intelligent auto sleep-wake technology, the Origami No1 Original case conserves power, extending usage time. Thanks to this smart energy-saving feature, enjoy your device longer and more consistently between charges.
