This innovative case combines unrivalled functionality with stylish protection, ensuring your device is safe while enhancing usability. Designed to complement the iPad's features, the Origami No1 Original turns your tablet into a dynamic tool, ideal for all kinds of use – from entertainment to professional tasks.

- Ultimate Viewing & Typing Positions: Find your perfect angle for any task.
- Stable Base for Bed & Unstable Surfaces: Enjoy your content anywhere without compromise.
- FaceTime & Video Calls Optimized: Elevate your video communication with ease.
- Shock-Absorbent TPU Shell: Superior protection to protect your iPad from knocks and drops.
- Smart Power Management: Extend your battery life with smart sleep-wake technology.

Ultimate Viewing & Typing Positions
The Pipetto Origami case offers the utmost versatility with its 5-in-1 folding design. Whether you're writing emails, taking notes, or watching your favourite series, this case provides two distinct landscape orientations that perfectly match Apple's Smart Cover positions while delivering two more to ensure you always have the ideal angle.

Stable Base for Bed & Unstable Surfaces
The Pipetto Origami case stands up to the challenge no matter where you find yourself. With additional folding positions, the case creates a wide, stable base, so you can binge-watch or browse on your iPad comfortably in bed or on any soft or unstable surface.

FaceTime & Video Calls Optimized
Communicate without limitations. The Origami case incorporates a portrait position flawlessly tailored for FaceTime and video calls, allowing you to talk hands-free without sacrificing stability or visibility.

Shock-Absorbent TPU Shell
Constructed with a shock-absorbent TPU shell and internal air pockets, the Pipetto Origami No1 Original offers top-tier protection. It's designed to shield your device from everyday bumps and drops, ensuring your iPad remains unscathed in the rigours of daily use.

Smart Power Management
Enhance your battery performance with the case's built-in auto sleep-wake functionality that seamlessly prolongs your iPad's battery life. Up to 20% longer usage between charges means more time enjoying and less charging.
