- Ultra-compact design with versatile wearing options
- 20-hour continuous recording with 40-day standby
- Enterprise-grade security with end-to-end encryption
- Seamless cloud integration and access with free PLAUD apps
- Search and retrieve from what was said
- Enterprise-grade privacy and security

**Advanced AI-Powered Recording and Transcription**
Experience the power of intelligent voice capture with dual MEMS microphones and sophisticated AI technology. Choose the best LLM, whether it's GPT-5.2, Claude Sonnet 4.5, Gemini 3 Pro or even better models in the future. The NotePin transcribes your recordings in over 112 languages, with up to 95% transcription accuracy. Transform conversations into actionable insights with professional templates and AI-driven analysis.

**Intelligent AI Features & Workflow Tools**
Plaud NotePin transforms recordings into actionable knowledge with automatic language detection, speaker labels, and custom vocabulary (glossary) support for improved accuracy. AI-generated summaries and structured notes surface key points and action items using 10,000+ AI-powered templates across industries. Highlight key moments, add typed notes or images, and use *Ask PLAUD* to instantly query transcripts and summaries without replaying recordings.

**Ultra-Compact Design with Versatile Wearing Options**
At just 25g, the NotePin adapts to your lifestyle. Wear it as a necklace, wristband, clip, or pin - its elegant Cosmic Gray finish complements any professional or casual setting. The versatile design ensures you're always ready to capture important moments without compromising on style.

**20-Hour Continuous Recording**
Never miss a crucial detail with the NotePin's impressive battery life. Enjoy up to 20 hours of continuous recording and 40 days of standby time. The 64GB storage capacity ensures ample space for your recordings, while crystal-clear audio quality is maintained through AI speech enhancement technology.

**Enterprise-Grade Security**
Your privacy is paramount with PLAUD NotePin. Every recording is protected by end-to-end encryption and stored securely using world-leading cloud services including AWS, Microsoft Azure, and Google Cloud. Focus on your content while we safeguard your data.

**Always Within Reach**
Your Plaud NotePin integrates seamlessly with Apple Find My for instant location tracking. Stay focused on what truly matters without the worry of misplacing your device. Adventure freely, knowing your NotePin is just a tap away.

**Seamless Integration and access with the free PLAUD apps**
Plaud Note integrates seamlessly with the Plaud mobile, web, and Desktop apps, bringing recordings, transcripts, summaries, and AI insights into one unified workspace. The apps let you review, search, highlight, and query content with Ask PLAUD, while the PLAUD Desktop app can directly capture online meetings from platforms like *Google Meet, Zoom, and Teams* — keeping in-person and virtual conversations organized in one place

**Certified Privacy & Security**
Plaud is fully **GDPR compliant**, reinforcing Plaud's commitment to the highest standards of data protection. Alongside SOC 2 Type II and HIPAA compliance, your recordings and AI?generated notes
