#### Interactive Farm Toy Kit

Shifu Plugo: Farm is much more than a mere toy. It offers an immersive experience where kids handle genuine figurines to run their digital farm. This blend of the physical and digital realms creates an engaging, delightful, educational playtime.

#### AR-Powered Digital Farm Kit

Being the world's first AR-powered digital farm kit, Plugo Farm lets children witness the bustling life of a farm. They learn to build, manage, and operate their digital business while working through 100+ fun and challenging tasks.

#### Learning Through Play

The Plugo Farm isn't just about fun; it's also about learning essential skills. It helps early learners strengthen their social and emotional intelligence skills while teaching them time management, value creation, and resource planning.

#### Age-Adjusted Gaming Challenges

The gaming experience is tailor-made to suit your child's age with adjustable difficulty levels. The Plugo App has two story-based games with over 100 challenges each, ensuring that your child stays intrigued and challenged.

#### Compatibility with iOS and Android

The Plugo Farm is designed to work seamlessly with a range of devices. It is compatible with iOS and Android, so your kid can play on iPads, iPhones, Samsung Tablets/Phones, and Fire Tablets.
