Discover the ultimate convenience in charging technology with the Satechi 3-in-1 Foldable Qi2 Charging Stand. Designed for the modern traveller and tech enthusiast, this sleek, compact stand lets you power up your iPhone, AirPods, and Apple Watch simultaneously. It is perfect for those who appreciate efficiency and style in their accessories.

- Advanced Qi2 charging technology with doubled charging speeds
- Versatile triple charging capability
- Fast-charging support for Apple Watch
- Includes international travel adapters
- Premium construction using high-quality materials

Advanced Qi2 Charging Technology

Utilizing the latest advancements in wireless charging, the Qi2 technology embedded in the Satechi stand ensures optimal charging speeds for your devices. This feature delivers 15W of power to your iPhone and 5W each to your AirPods and Apple Watch. It also supports StandBy mode, which allows easy access to your phone's features while it charges.

Versatile Triple Charging Capability

The Satechi 3-in-1 Charging Stand can charge three devices simultaneously, simplifying your digital life. Charge your iPhone, AirPods, and Apple Watch together without the hassle of multiple wires. Its foldable design also makes it ideal for packing away in your bag, ensuring you stay connected no matter where you are.

Fast-Charging Support for Apple Watch

Get ready each morning thanks to the stand's fast-charging feature designed for the Apple Watch Series 7, 8, 9, Ultra, and Ultra 2. Experience minimal downtime as your watch charges at record speed, preparing you for any challenge the day might throw your way.

Includes International Travel Adapters

The Satechi 3-in-1 Charging Stand eliminates the worry of charging your devices while travelling. Equipped with two travel adapters, it offers seamless charging across numerous destinations worldwide, heralding a new level of convenience for every international adventure.

Premium Construction Using High-Quality Materials

Crafted with precision from premium-grade aluminium and accented with a scratch-resistant vegan leather base and a silicone charging puck, this charging stand is built to last. Its robust design protects your devices from potential wear and tear.
