SATECHI

Satechi FindAll™ Vegan-Leather Luggage Tag with Apple Find My - Black

Satechi FindAll™ luggage tag in vegan leather helps you keep track of your luggage with a premium, discreet design and Apple Find My support. Designed for modern travel, it connects easily to your Apple devices, protects your personal information, and recharges wirelessly for long-lasting everyday use.

- Premium vegan leather design for luggage and travel bags
- Apple Find My support for easy luggage tracking
- Simple setup with iPhone, iPad, and Mac
- Privacy-focused design keeps contact details protected
- Rechargeable battery with wireless charging

Premium vegan leather design for luggage and travel bags
The Satechi FindAll™ luggage tag is made from premium vegan leather with a slim black finish that looks clean and refined on suitcases, backpacks, and travel bags. Its compact design secures easily to your luggage while keeping a discreet profile that suits both business and leisure travel.

Apple Find My support for easy luggage tracking
Built-in Apple Find My technology lets you locate your luggage directly from the Find My app on your iPhone, iPad, or Mac. The tag works with Apple's Find My network, helping you check the location of your bag when available, even when it is outside normal Bluetooth range.

Simple setup with iPhone, iPad, and Mac
Pairing the luggage tag is quick through the Apple Find My app. Once connected to your Apple ID, it is ready to use whenever you travel. Bluetooth 5.4 provides efficient wireless connectivity, and the familiar Apple setup process makes it easy to add the tag to your existing Apple devices.

Privacy-focused design keeps contact details protected
Unlike traditional luggage tags that display your name, phone number, or address, FindAll™ helps keep your personal information private. If your luggage is found, the Find My system allows others to help contact you without exposing your personal details directly on the tag.

Rechargeable battery with wireless charging
The rechargeable 150 mAh lithium battery removes the need for disposable batteries. The luggage tag charges wirelessly using Qi, Qi2, or MagSafe chargers and delivers up to 12 months of battery life on a single charge. An LED indicator shows charging status, glowing orange while charging and green when fully charged.

Package includes

- 1 x Satechi FindAll™ vegan leather luggage tag - Black
- 1 x Quick Start Guide
- 1 x Warranty Card
