Premium Vegan Leather Design

The Satechi FindAll™ Luggage Tag features a sophisticated black vegan leather exterior that adds a touch of elegance to any luggage while remaining environmentally conscious. The high-quality materials ensure durability through the rigors of travel, maintaining its sleek appearance trip after trip. The minimalist design complements any suitcase, backpack, or travel bag with timeless style.

Built-in Apple Find My Technology

Never worry about lost luggage again. The Satechi FindAll™ integrates seamlessly with Apple's Find My network, allowing you to locate your belongings anywhere in the world. Simply open the Find My app on your iPhone, iPad, or Mac to see the precise location of your luggage in real-time. The vast Apple network helps you track your items even when they're out of Bluetooth range.

Easy Setup and Integration

Setting up your Satechi FindAll™ Luggage Tag takes just seconds. The tag pairs quickly with your Apple devices through the Find My app with a simple one-tap process. No complicated instructions or technical knowledge required. Once connected, the luggage tag automatically syncs with your Apple ID, ensuring your belongings are always just a few taps away on your device.

Privacy Protection

The Satechi FindAll™ Luggage Tag is designed with your privacy in mind. Unlike traditional luggage tags that display your personal information openly, the FindAll keeps your contact details secure while still helping your lost items find their way back to you. The Find My app allows others to scan and contact you anonymously if they find your luggage, without revealing your personal information.

Long-lasting Battery

Travel with confidence knowing your Satechi FindAll™ Luggage Tag is always ready when you need it. The built-in battery lasts up to a full year on a single charge, eliminating the worry of your tracker dying mid-journey. When it's time for a recharge, the convenient USB-C port makes powering up quick and easy, getting you back on the road in no time.
