Designed specifically for the 2022 MacBook Air M2

The Hardshell Case is designed exclusively for the 2022 MacBook Air M2. This high-quality case protects against accidental damage without sacrificing sleek aesthetics and lightweight portability.

Easy access to all ports

The case's meticulous design and precise cutouts ensure easy accessibility to all ports. You'll never have to worry about damaging connectors or strained ports, as the case fits perfectly onto the MacBook Air M2.

Anti-Slip Grip Feet

This hardshell case features Anti-Slip Grip feet on the bottom for better heat disbursement. The Anti-Slip feature ensures your MacBook Air M2 stays put and does not slide off the surface, offering your device an added security layer.

Precise cutouts for no interference with adapters and hubs

The design of the Hardshell Case is fitting - it is ideal for Satechi's Pro Hub lineup and similar adapters and hubs. The case avoids any hindrance or interference with these additional accessories.

Polycarbonate hardshell for 360-degree protection

The case uses a polycarbonate hardshell, an energy-efficient material. This offers 360-degree protection to your MacBook, safeguarding it from damage.
