SATECHI

Satechi Media Button - Silver

Enjoy effortless, safe control of your music and videos without reaching for your phone. The Satechi Media Button lets you play, pause, skip, and adjust volume from your steering wheel, handlebars, or couch with compact, reliable Bluetooth convenience.

- Wireless control up to 12 meters
- Simple Bluetooth pairing and easy operation
- Exceptional 2-year battery life
- Mounting bracket for steering wheel or handlebars
- Compact, lightweight design for car, bike, or home

Wireless control up to 12 meters
Keep your phone tucked away and still command your media. With a wireless range of up to 12 meters, you can control playback and volume whether your device is in a pocket, charging across the room, or mounted in the car.

Simple Bluetooth pairing and easy operation
Set up in seconds. Pair the button with your phone or tablet over Bluetooth and start controlling your media instantly. No apps to install and no complicated settings—just straightforward, reliable control.

Exceptional 2-year battery life
Focus on your day, not your charger. The Media Button is engineered for ultra-low power consumption, delivering up to two years of battery life so it is ready whenever you are.

Mounting bracket for steering wheel or handlebars
Designed with safety and convenience in mind, the included bracket secures the Media Button to your steering wheel or bike handlebars. Keep your eyes on the road and your hands where they belong while managing your music.

Compact, lightweight design for car, bike, or home
Slim and unobtrusive, the Media Button fits seamlessly into any setup. Its compact profile and light weight make it perfect for in-car use, cycling, or relaxing at home.
