SATECHI

Satechi R1 Bluetooth Presentation Remote - Space gray

Introducing the Satechi R1 Bluetooth Presentation Remote - for all your presentation needs. This innovative and sleek device gives you control over your presentations, with features that enhance your speaking experience while maintaining a wireless connection up to 32ft away. Thanks to the built-in red LED laser pointer, you'll never have to worry about on-screen highlights.

- Presentation control capabilities
- Convenient red laser pointer
- Wireless Bluetooth 5.0 connection
- Rechargeable USB-C design
- Broad compatibility

Presentation Control Capabilities
Elevate your presentations with the R1 Bluetooth Presentation Remote. With back/forward slide clickers, a virtual keyboard, and a black-out screen button, you can control your presentations and keep your audience engaged.

Convenient Red Laser Pointer
Highlight your presentation's key points and essential details with the built-in red LED laser pointer. Perfect for lectures, client presentations, and more. Please note that it is not recommended for use on LED/LCD/TV screens.

Wireless Bluetooth 5.0 Connection
Experience untethered control with the wireless Bluetooth 5.0 connectivity. The R1 remote allows you to move freely in a range of up to 32 ft, so you're not tied to your computer or projector, delivering your presentations effortlessly.

Rechargeable USB-C Design
Thanks to the convenient USB-C recharging port, there is no need to worry about batteries. With a battery life of up to six months between charges (based on one-hour usage and depending heavily on laser use), the R1 remote is designed for long-term use. The package includes a USB-C charging cable.

Broad Compatibility
The R1 Bluetooth Presentation Remote supports many devices, including the 2021 MacBook Pro M1, M1 Pro, M1 Max, 2021 iMac M1, 2020 iPad Air, 2020/2018 iPad Pro, and more. It is also compatible with PowerPoint, Keynote, PDF, Google Slides, and Prezi. However, please note that an active Office365 subscription is required for PowerPoint and does not support Windows 10 devices.
