SATECHI

Satechi Slim Wireless Keypad - Silver

Elevate your workspace with the Satechi Slim Wireless Keypad, a stylish and practical addition for those seeking efficient data entry with a touch of elegance. This sleek Bluetooth keypad enhances productivity while maintaining a clutter-free environment, making it the ideal companion for the modern professional on the go.

- Wireless Bluetooth Connectivity
- Slim and Portable Design
- Built-in Rechargeable Battery
- Sleek and Durable Aluminum Finish
- Compatible with Bluetooth-enabled Devices

Wireless Bluetooth Connectivity
Experience the freedom of wireless operation with the Satechi Slim Wireless Keypad's seamless Bluetooth connectivity. This wire-free solution connects effortlessly to any Bluetooth-enabled device, freeing your workspace from clutter and enhancing productivity across various locations.

Slim and Portable Design
Engineered for convenience, the Satechi Slim Wireless Keypad boasts a compact, lightweight design that fits neatly into any backpack or bag. Whether in the office or on the road, this portable keypad ensures productivity is within reach, adapting to your dynamic work environment.

Built-in Rechargeable Battery
Optimize your workflow with the built-in rechargeable battery of the Satechi Slim Wireless Keypad. Enjoy up to two weeks of uninterrupted usage on a single charge, minimizing power concerns and keeping you focused on your tasks. A quick recharge time of just one to two hours ensures your device is always ready for action.

Sleek and Durable Aluminum Finish
Combine aesthetics with durability through the sophisticated aluminum construction of the Satechi Slim Wireless Keypad. Finished in elegant space gray, this robust design not only prolongs the life of the keypad but also adds a touch of class to any professional setting.

Compatible with Bluetooth-enabled Devices
The Satechi Slim Wireless Keypad seamlessly integrates with any Bluetooth-enabled device, delivering enhanced productivity across various platforms. Whether working on a Mac or Windows 10 device, this keypad offers versatile application, ensuring consistent efficiency in your daily operations.
