SATECHI

Satechi Thunderbolt 5 Pro Cable - Black

Built for modern high-performance setups, the Satechi Thunderbolt 5 Pro Cable combines next-generation speed, strong power delivery, and advanced display support in one dependable connection. It is Thunderboltt™? certified for broad compatibility and consistent performance across supported devices.

- Thunderbolt 5 certified performance
- Up to 120 Gbps bandwidth for demanding data workloads
- Up to 240 W Power Delivery for high-power charging
- Advanced display support for high-resolution, high-refresh monitors
- Durable premium build with braided design and reinforced connectors

Thunderbolt 5 certified performance
Thunderbolt certification helps ensure reliable interoperability across Thunderbolt and USB-C ecosystems. Connect with confidence to compatible Thunderbolt 5 devices, while maintaining support for Thunderbolt 4, Thunderbolt 3, USB4, and USB 3.2 and 3.1 for flexible everyday use.

Up to 120 Gbps bandwidth for demanding data workloads
Handle large files and intensive workflows with up to 120 Gbps unidirectional throughput and up to 80 Gb/s bidirectional throughput. This makes it well-suited for fast external storage, creative production assets, and performance-focused setups where bandwidth matters.

Up to 240 W Power Delivery for high-power charging
Support Power Delivery 3.1 EPR with up to 240 W charging, designed for high-performance laptops and power-hungry devices. Charge and move data through a single cable without compromising on capability for supported hardware.

Advanced display support for high-resolution, high-refresh monitors
Drive demanding display configurations, including dual 8K video at 60 Hz or triple 4K at 144 Hz where supported by your device and setup. For macOS, display output is supported up to 6K, making it a strong choice for sharp, fluid visuals in professional workspaces.

Durable premium build with braided design and reinforced connectors
Designed for daily use with premium materials, including a braided cable exterior, reinforced strain relief, and an aluminum housing. The construction supports lasting flexibility and helps reduce wear at common stress points.

Package includes

- 1x Thunderbolt 5 Pro Cable - Black
- 1x Product manual

Product specifications

- Brand: Satechi
- Certification: Thunderbolt™? certified
- Data transfer: Up to 80 Gbps bidirectional, up to 120 Gbps unidirectional
- Power Delivery: PD 3.1 EPR, up to 240 W
- Display support: Up to 6K on macOS, up to 8K on Windows
- Port compatibility: Thunderbolt 5, Thunderbolt 4, Thunderbolt 3, USB4, USB 3.2, USB 3.1
- Cable length: 1 m
- Colour: Black
