SATECHI

Satechi USB-A to USB-C Adapter X2 - Space Black

Bring modern USB-C convenience to your existing USB-A devices with the Satechi (2 -Pack) Type-A to Type-C Adapter. Designed for seamless everyday use, this compact adapter lets you connect USB-C cables and peripherals to compatible USB-A data ports, making it a practical solution for workstations, travel, and daily setups.

- Converts USB-A to USB-C for wider device compatibility
- Supports fast data transfer up to 10 Gbps
- Compact design that fits easily into any setup
- Simple plug-and-play use with no setup required
- Works with a wide range of computers and devices

Converts USB-A to USB-C for wider device compatibility
The adapter allows you to use USB-C cables and peripherals with devices that feature a standard USB-A data port. It is an easy way to extend the usefulness of your existing hardware while adding support for modern accessories.

Supports fast data transfer up to 10 Gbps
Built for efficient performance, the adapter supports USB 3.0 data transfer speeds up to 10 Gbps. It is ideal for transferring files, connecting compatible peripherals, and streamlining your workflow when speed matters.

Compact design that fits easily into any setup
With its ultra-compact form, the adapter is easy to keep connected to your device or carry with you on the go. It takes up very little space, making it a convenient choice for both permanent desktop use and travel.

Simple plug-and-play use with no setup required
There is no software or installation process needed. Simply connect the adapter to a compatible USB-A port and start using your USB-C cable or peripheral right away. It is a straightforward solution that works effortlessly in everyday use.

Works with a wide range of computers and devices
The adapter is compatible with selected Mac mini and Mac Studio models, as well as Windows devices and computers from brands such as Dell, HP, Asus, Lenovo, and Chromebook models with a standard USB-A data port. This makes it a flexible option for mixed-device environments at home or at work.
