Advanced Speed

Experience the full potential of your Ethernet connection with the Satechi USB-C 2.5 Gigabit Ethernet Adapter. Supporting Ethernet speeds of up to 2500Mbps, this adapter unlocks the capabilities of a high-speed wired connection on your Type-C device. It is ideal for fast data transfers, quick downloads, and consistent, quality video streaming without lag.

Premium Design

Style meets functionality with the sleek aluminum enclosure of the Satechi USB-C 2.5 Gigabit Ethernet Adapter. Carefully engineered with a tangle-free braided cable and reinforced neck, this adapter is visually appealing and built to withstand daily use's rigors. The innovative design ensures you can stay connected in style.

Easy To Use

The Satechi USB-C 2.5 Gigabit Ethernet Adapter champions simplicity with its effortless plug-and-play design. There's no need for any additional software or driver installation, saving you time and hassle. Its universal compatibility with USB-C host devices and major operating systems makes it a convenient addition to any tech setup.

Versatile Compatibility

Stay connected across a wide range of devices with the Satechi USB-C 2.5 Gigabit Ethernet Adapter. Whether using a MacBook Pro, MacBook Air, iMac, iPad, iPhone, or even devices from Lenovo, Microsoft, Dell, Google, HP, Razer, Huawei, and other USB-C-equipped gadgets, this adapter ensures reliable network performance.

Durable and Reliable

Built to last, the Satechi USB-C 2.5 Gigabit Ethernet Adapter boasts a tangle-free, braided cable and a reinforced neck that promises optimal durability. Designed to keep you connected, the adapter saves you the worry of cable fray or damage from repeated use, slotting seamlessly into your digital lifestyle for uninterrupted connectivity.
