

Upgrade your desktop or laptop's connectivity with the Satechi USB-C Aluminium hub. This device combines the versatility of 3 high-speed USB 3.0 ports and a secure Ethernet (RJ45) connection into one sleek and compact design. It is a plug-and-play device that quickly integrates into your working environment. Made to match your Mac, it has a stylish Space Grey aluminium finish.

- High-speed Connections
- Designed to Complement Mac
- Quick Networking Solution
- Power Indication
- Compact and Portable

#### High-speed Connections

This hub is a fast USB 3.0 solution with 3 USB-A ports for data transfer and quick access to USB-A devices, but it also includes an Ethernet port capable of supporting 10/100/1000Mbps for high-speed connections.

#### Designed to Complement Mac

Satechi's 2-in-1 hub has been designed meticulously to match your Mac. Its brushed aluminium finish stylishly complements Apple computers and products.

#### Quick Networking Solution

Save on expensive network cards. The Ethernet Adapter offers a practical alternative, providing a gigabit Ethernet network connection on your desktop or notebook computer from any compatible USB port.

#### Power Indication

Equipped with a convenient LED light to indicate when the device is powered, you can plug the Type-C connector into your laptop's USB-C port and connect your USB devices.

#### Compact and Portable

This hub is perfect for on-the-go use with its compact dimensions and lightweight design. It measures 3.75 x 1.25 x 0.8 inches and weighs only 2 ounces, making it great for travel.

#### Package includes

- Satechi USB-C Aluminium hub - Space Grey
