

Discover a new way to enhance your workspace with the Satechi USB-C Dual Dock Stand. Precision-made to transform your MacBook or Windows laptop into a versatile workstation, this dual dock is ideal for both business and creative professionals. Engineered with a high-quality aluminium body and sleek space-grey and black finish, it enhances your productivity and your desk setup's aesthetics. Effortlessly connect the dock using detachable dual USB-C connectors for peerless computing power.

- Flexible Screen Expansion Options
- High-Speed Data Transfers
- Ergonomic Design for Heat Dissipation
- Multiple Connection Ports
- NVMe and SATA SSD Compatibility

Flexible Screen Expansion Options

Boasting 1x DisplayPort and 2x HDMI Ports, our dual dock delivers a variety of screen expansion options. It allows up to two external monitors in extended mode with high resolution 4K/60Hz output.

High-Speed Data Transfers

Data management is a breeze with the dual dock's SSD Enclosure. It supports NVMe and SATA SSDs for fast data transfers, recovery, and external storage options. NVMe SSDs support up to 10Gbps transfer speed, while SATA SSDs are limited to 6Gbps.

Ergonomic Design for Heat Dissipation

The Satechi Dual Dock Stand is designed with usage comfort in mind. It sits comfortably underneath your MacBook, providing an inclined display view. This elevated angle not only aids your viewing experience but also facilitates heat dissipation for efficient device performance.

Multiple Connection Ports

Our dual dock stand is equipped with diverse connectivity options - an Ethernet Port with 1 Gigabit speed, 1x DisplayPort, 2x HDMI Ports, 1x SSD Enclosure, 2x USB-A Ports (10Gbps and 5Gbps), 2x USB-C Data Ports (10Gbps and 5Gbps), and a USB-C Power Port with 75W power delivery for sustained device charging.

NVMe and SATA SSD Compatibility

The dual dock accommodates both NVMe and SATA SSDs. It predictably merges advanced functionality with practicality, providing a seamless computing experience.

Package Includes

- 1x Dual Docking Station with NVMe SSD Enclosure - Space Grey
- A screw and screwdriver for convenient SSD installation.
