SATECHI

Satechi USB-C Multimedia Adapter 4K HDMI/Mini DisplayPort Gigabit Ethernet - Silver

Satechi USB-C Multimedia Adapter 4K HDMI/Mini DisplayPort Gigabit Ethernet adds the essential ports missing from modern laptops and tablets in one compact, premium aluminium adapter. It gives you reliable charging, wired internet, external display support and everyday data connections, so you can work more efficiently whether you are at your desk or on the move.

- USB-C Power Delivery up to 49 W for efficient pass-through charging
- Gigabit Ethernet for fast and stable wired network access
- 4K video output through HDMI and Mini DisplayPort at up to 30 Hz
- Three USB 3.0 ports plus microSD and SD card slots for flexible connectivity
- Slim aluminium design that matches premium laptops and tablets

USB-C Power Delivery up to 49 W for efficient pass-through charging
Keep your workspace simple while powering your compatible USB-C device through the adapter. With support for USB-C Power Delivery up to 49 W, you can charge your laptop or tablet while using the adapter's other ports for displays, storage and accessories.

Gigabit Ethernet for fast and stable wired network access
When a dependable internet connection matters, the built-in Gigabit Ethernet port gives you a secure and consistent wired connection. It supports 10, 100 and 1000 Mbps speeds and offers a simple plug-and-play experience with compatible macOS and Windows devices.

4K video output through HDMI and Mini DisplayPort at up to 30 Hz
Connect an external monitor for a clearer and more productive setup. The adapter supports high-resolution 4K output at up to 30 Hz through both HDMI and Mini DisplayPort. On compatible devices with DisplayPort Alt Mode over USB-C, you can also mirror your display across two external monitors.

Three USB 3.0 ports plus microSD and SD card slots for flexible connectivity
With three USB 3.0 ports and integrated memory card readers, the adapter makes it easy to connect everyday accessories and transfer files quickly. It is a practical solution for keyboards, mice, USB drives, card-based media and other essential devices, with USB 3.0 speeds up to 5 Gbps.

Slim aluminium design that matches premium laptops and tablets
Built with a brushed aluminium finish, the Satechi USB-C Multimedia Adapter is designed to look as refined as the devices it connects to. Its compact form makes it easy to carry, while the durable metal housing gives it a premium feel suited to daily use at home, in the office or while travelling.

Package includes

- 1 x Satechi USB-C Multimedia Adapter 4K HDMI/Mini DisplayPort Gigabit Ethernet - Silver
- User Manual
