

The Satechi USB-C Pass-Through 3-in-1 USB Hub is your perfect solution for seamless tech integration. Never worry about compatibility with old USB accessories, as this hub effortlessly converts a USB-C port into two USB 3.0 ports, an SD slot and a Micro SD slot while charging your MacBook. It's compact and stylish with a design that matches your Apple devices. Get ready to redefine your tech experience with Satechi!

- Seamless Conversion of USB-C port for versatile utility
- Charging Capability for MacBook while in use
- Compact and stylish Aluminum Design
- Convenient for Travel with a lightweight build
- Uncomplicated Setup with no driver required

Seamless Conversion and Charging

With Satechi's USB-C hub, effortlessly enhance the functionality of your devices by converting a single USB-C port into two USB 3.0 ports, an SD card slot and a Micro SD card slot. Moreover, you don't have to compromise on charging your MacBook while utilising these options. Enjoy unmatched utility with Satechi!

Compact, Stylish Design

Our USB-C hub isn't just about utility, but it's a design marvel, too. Made of premium aluminium, it's a perfect match for your Apple devices and is available in Space Grey, Silver, Gold and Rose Gold. Bring sophistication to your desk setup with Satechi!

Travel-friendly

Whether you have to slip it into your purse, backpack or computer bag, the compact size of the USB-C hub makes it super convenient. Destination doesn't matter; you can access your USB devices whenever needed!

Uncomplicated Setup

Using the Satechi USB-C Hub is a breeze, with no drivers for accessing USB peripherals, devices, or SD and Micro SD cards. Make your media access simpler than ever with Satechi!
