SATECHI

Satechi USB-C Pro Hub Slim - Silver

Experience seamless digital connectivity with the Satechi USB-C Pro Hub Slim - Silver. Designed specifically for the 2022 MacBook Air M2 and compatible with all other MacBooks from 2017 onwards, this powerful hub packs all your essential ports in a sleek, user-friendly package. From high-speed data transfer to effortless device charging and 4k HDMI video output, there's virtually no limit to what you can do with this compact but potent hub.

- Full-function USB4 pass-through.
- HDMI port supporting 4K video output.
- Two USB-A data ports and a USB-C data port.
- SD and microSD card readers.
- Lightweight, portable design.

Full-function USB4 pass-through
Meet the future of digital connectivity with the Satechi Pro Hub Slim's USB4 pass-through port, offering an impressive 6K/60Hz video output, a whopping 100W Power Delivery, and lightning-fast 40Gbps data transfer speeds.

HDMI Port
With the Pro Hub Slim, crisp, hi-res entertainment is just a plug away. Connect your HDMI-enabled external monitor for direct video output and prepare to be amazed by the quality and clarity of 4K video content.

High-Speed Data Transfer
Featuring two USB-A data ports and a USB-C data port, the Pro Hub Slim delivers impressive data transfer speeds of up to 10Gbps. So whether you're moving large work files or streaming the latest 4K movie, enjoy interruption-free data experiences.

SD and MicroSD Card Readers
Expanding the range of devices you can connect to your MacBook, the Pro Hub Slim has SD and microSD card readers. They support UHS-I data transfer speeds (up to 104MB/s), accommodating SD/SDHC/SDXC with a capacity of up to 2TB.

Travel-friendly Design
Wherever your work takes you, the Pro Hub Slim is ready to go. This travel-friendly hub sports a slim, lightweight design, making it an easy carry and an essential accessory for digital nomads.

Package Includes
