Designed for Mac and iOS Devices
Crafted with Apple users in mind, the Satechi W3 Wired Backlit Keyboard makes multitasking seamless. The extended keyboard layout with a numerical pad and dedicated MacOS function hotkeys ensure you have all the tools you need at your fingertips.

Hassle-free Wired USB-C Connection
Enjoy a stable, uninterrupted typing experience with the built-in USB-C cable. Setup is effortless and instant, an ideal solution for spaces where wireless connectivity is limited or if you prefer a straightforward wired connection.

Adjustable Backlit Keys
Work comfortably in any setting with the keyboard's backlit keys. With three levels of brightness and macOS function hotkeys, you can easily adjust the brightness, volume, pause, play, and other functions on your connected device.

Extended Layout with Numerical Pad
Boost your productivity with the keyboard's extended layout, including a numerical pad. Whether crunching numbers for a report or navigating through spreadsheets, the comprehensive layout helps you work efficiently.

Modern Aluminium Design
With its sleek, modern aluminium finish, the Satechi W3 Wired Backlit Keyboard complements any desk setup. It perfectly harmonizes with your Mac devices, elevating your workspace's style and functionality.
