SATECHI

Satechi Water-Resistant 13" Laptop Carrying Case with Pockets - Grey

Protect and carry your laptop with confidence using the Satechi water-resistant nylon laptop carrying case. Designed for everyday mobility, it combines a durable exterior, a fully padded interior and practical side pockets in a clean, premium design suited for work, travel and daily use.

- Water-resistant nylon construction
- Fully padded interior protection
- Side pockets for everyday accessories
- Slim, refined design
- Designed for 13" laptops

Water-resistant nylon construction
The durable nylon exterior helps protect your laptop from light rain, spills, dirt and dust. It is made for daily use and gives your device an added layer of protection whether you are commuting, travelling or moving between meetings.

Fully padded interior protection
The fully padded interior helps cushion your laptop against scratches, bumps and everyday impacts. It keeps your device securely protected inside the case while remaining lightweight and easy to carry.

Side pockets for everyday accessories
Convenient side pockets provide space for essential accessories such as a charger, headphones, external storage or cables. This makes it easy to keep your laptop and daily accessories organised in one place.

Slim, refined design
The case features a clean and minimal look that pairs well with modern laptops. Its slim profile makes it easy to carry on its own or place inside a larger bag, while still offering practical protection.

Designed for 13" laptops
This version is made for 13" (33 cm) laptops and is compatible with a wide range of popular models, including MacBook, Surface, Chromebook, Lenovo Yoga, Dell XPS and Google PixelBook devices in a similar size class.

Package includes
