In the innovative world of technology, presenting the Satechi Water-Resistant Laptop Carrying Case with Pockets. This carrying case ensures solid protection and high functionality while adding a stylish edge to your laptop. Its fully-padded interior, durable, water-resistant nylon fabric and convenient side pockets make it an essential accessory for your device.

- Water-resistant and Durable Material
- Fully-padded interior
- Convenient Side Pockets
- Sleek Aesthetic
- Available in 13", and 15"/16"

Water-resistant and Durable Material

Constructed with water-resistant nylon fabric, the Satechi Laptop Carrying Case protects against inevitable spills, rain, and other moisture-related incidents. The durable material also adds an extra layer of defence against dirt and dust, ensuring your laptop remains clean and safe.

Fully-padded interior

With its fully-padded interior, the carrying case offers stellar insulation against sudden drops and scratches. As a potential safeguard, it protects your laptop from impacts and abrasions incurred during excessive movement or accidental falls.

Convenient Side Pockets

The Satechi Laptop Carrying case is designed with convenience in mind. The strategic side pockets offer ample space to organize and store extra accessories. Whether it's your charger, hard disk, or headphones, you can have all your essentials in one place.

Sleek Aesthetic

With Satechi, you don't have to choose between elegance and functionality. The carrying case boasts a clean and sleek aesthetic, complementing any laptop it houses. Owing to its minimalist design and chic finish, it is as eye-catching as it is practical.

Available in 13" and 15"/16"

The Satechi Laptop Carrying Case is suitable for varying needs in form-fitting 13", 15" and 16" cases. The carrying case ensures a snug and secure fit whether you own a MacBook or a Lenovo laptop.
